

Cleary Building Corp.:

Easy and Affordable Homebuilding

From design through completion, your Cleary home offers exceptional value! Our customizable, energy efficient building designs allow for greater flexibility for you to custom design your own interior layout. Bonded, licensed and insured, we offer you full general contracting services at an affordable price.

From design through completion, we offer exceptional value!

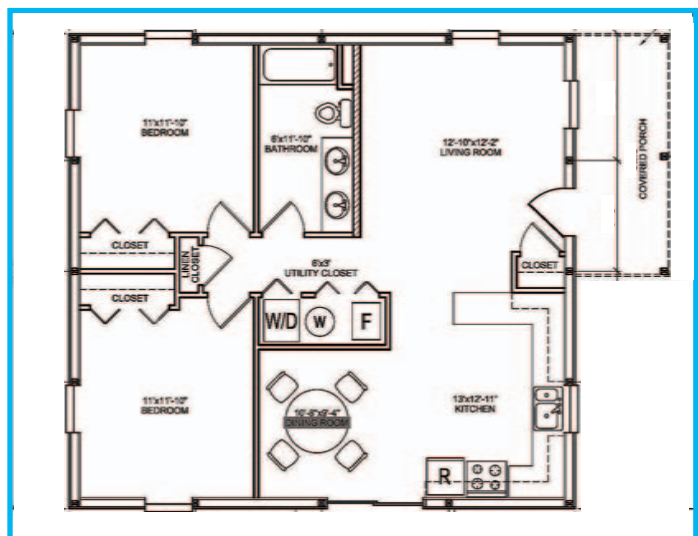

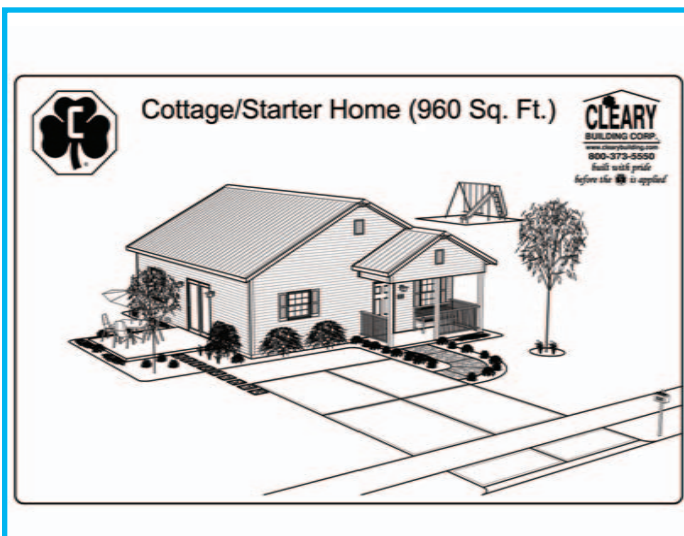

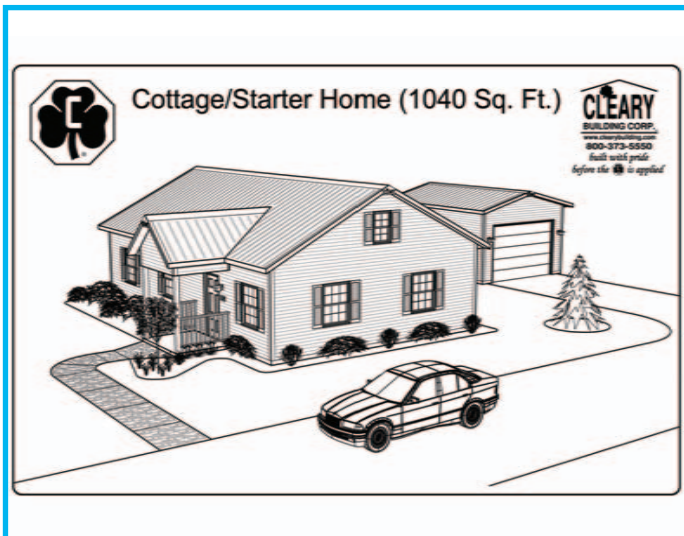

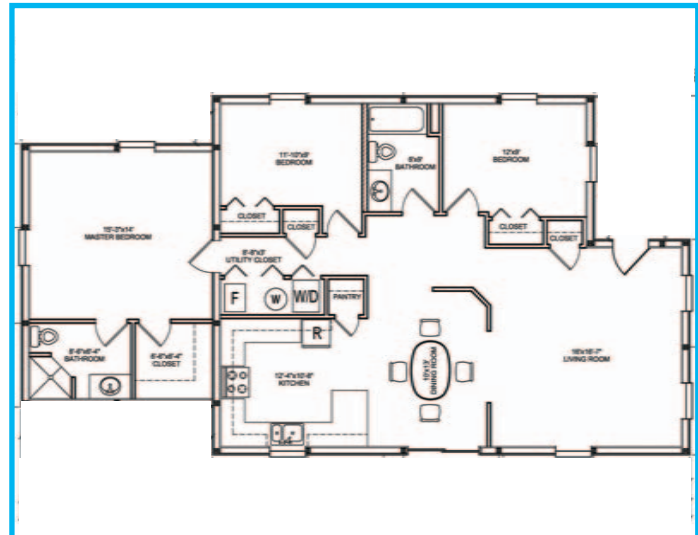

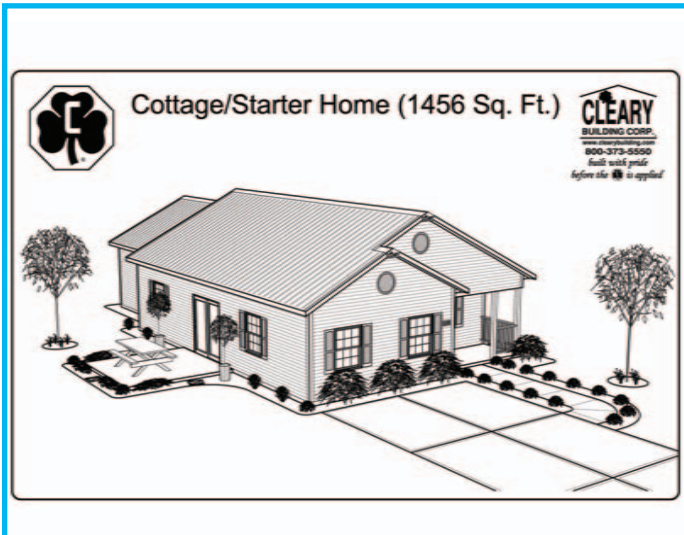

“The Energy Savings is worth investing a little more in the building process”

-Rick and Lucy Meier, Cleary Energy Star Home Owners
