

SAFETY...

We Make it Our Business

Cleary Building Corp. Work Smart/Work Safe Program

Cleary Building Corp. knows that "Safety is No Accident." We care about our employees. Our Work Smart/Work Safe Employee Safety program is designed to not only benefit our employees, but our Clients too.

- Builders Risk and Full Insurance cover any Cleary Building Corp. employee involved in an accident.
- More employee stability. Our crews expect zero injuries and carry that commitment with them 24/7 and trust that their co-workers do the same.
- Fewer injuries lead to lower costs so that Cleary Building Corp. can continue to provide a quality product at a competitive price.

Proper Training:

Cleary Building Corp. demonstrates the Value of Safety by providing proper training not available to other workers in our industry.

- All employees are trained in and comply with OSHA and DOT regulations
- All employees are empowered to stop work whenever they are faced with a potentially unsafe condition
- We hold monthly safety meetings to discuss new safety techniques and regulations
- Employees are recognized and rewarded for safety achievements with a safety incentive program

Investing in Safety

We take pride in our product and our safety record. We value our employees and invest in their safety.

- **Fall Equipment-** Cleary provides the latest fall protection equipment for our crews.
- **Cleary Building Corp. is a Drug Free Workforce including pre-employment drug screening**
- **Full-time corporate Safety Manager**
- **Continually evaluating and upgrading our safety equipment and procedures**

Serving our Clients since 1978

"The basis behind the program is to promote a Zero Accident Culture within our company, as our company's most valuable asset is our employees and our employee's family depends on them to return home from work in the same condition that they left."
