Since 1978 Cleary Building Corp. Has Provided professionally engineered and custom designed buildings, with quality tested materials, skilled building crews, on time construction and warranties for lasting satisfaction.

Cleary Building Corp. History

The company was founded in 1978 to offer clients a quality building which satisfied their needs at an affordable price. From day one, the company prided itself on offering the personal service a client deserves. Cleary Building Corp.'s world headquarters and manufacturing plants are located in Verona, WI.

To better serve our national Clients, Cleary Building Corp. opened our second and third "state of the art" manufacturing plants in Grand Island, Nebraska (1995) and in Hazelton, Idaho (1998).

Cleary Building Corp. constructs buildings for suburban, farm, commercial, residential and equine applications. We have constructed churches, stores, manufacturing plants, warehouses, grain storage buildings, bus garages, airplane hangars, houses, and many other quality products. The Cleary Building Corp. pre-engineered structures continue to be the preferred building solution accepted by engineers, architects and building officials.

Cleary Building Corp. is firmly committed to bringing Clients lasting quality at affordable prices. While Cleary Building Corp. is large enough to handle clients' building needs and plans additional expansion, we maintain a culture that ensures the personal service Cleary Building Corp. Clients deserve.
