Seven Cleary Building Corp. Values

1. Honesty, Integrity, & Trust ~ Key attributes that build strong relationships.
2. Discipline ~ Be precise and efficient in your daily schedule to allow maximum productivity.
3. Respect for all people ~ All employees must work in an environment of mutual respect.
4. Taking care of people ~ Provide an environment for future growth and opportunity.
5. Doing the right thing ~ Everyone must exercise good judgement instead of just "doing things right".
6. Increase company value ~ Encourage employee participation in improving process and procedures.
7. You can make the difference ~ Every day is full of choices for all of our team members that impacts our company. Each individual plays a pivotal role at Cleary Building Corp. and provides a valuable contribution to daily activities that can make the differences.
