CLEARY BUILDING CORP. SELLS 78,000TH BUILDING

Verona, WI - Cleary Building Corp., a nation-wide leader in the manufacturing, delivery and construction of post-frame buildings, is proud to announce the sale of its 78,000th building. The building was sold on July 16, 2009 by Markus Schlegel, Branch Manager of the Caldwell, Idaho branch office, to Matt Wolf of Marsing, Idaho. This is a major accomplishment for Cleary Building Corp. which has been selling buildings for over 31 years.

When asked about the importance of this great event, Sean Cleary, President, said “Not only would I like to thank Matt for the business, but all of our other past Clients for giving us the opportunity to service them. Our goal is to provide an added value to all of our past and future clients.”

Cleary Building Corp. is a nation-wide leader in customized pre-engineered buildings. Building applications include commercial, residential, suburban, farm and equine facilities along with metal roofing and re-roofs. The buildings consist of a wood frame with pre-painted steel panels used for roofing and siding. Cleary Building Corp. is proud to offer a lifetime paint warranty. This type of building provides for a long-lasting, low-maintenance and cost effective structure.

With 78,000 buildings sold, Cleary Building Corp. has not lost sight of the quality craftsmanship and customer service that has been the threshold of its success. Each building has been unique in its own right, customized to the Clients needs with 22 colors of steel to choose from and endless design possibilities. The local sales specialists are present from the beginning of the building project through the construction of each building. Every Cleary building is built with pride before the shamrock is applied.

Cleary Building Corp. is a family-owned company in business since 1978! The corporate office and manufacturing plant are located in Verona, WI. Additional manufacturing facilities are located in Grand Island, NE and Hazelton, ID. Cleary Building Corp. employs over 900 full-time employees throughout the United States at its 77 offices.
