CLEARY BUILDING CORP. NAMED OFFICIAL BUILDER OF LAMBEAU FIELD

The Green Bay Packers have named **Cleary Building Corp.** as the Official Builder of Lambeau Field.

Cleary Building Corp. will be recognized as the Official Builder of Lambeau Field both on and off the field. On game day, Cleary Building Corp. can be found on the TundraVision inside Lambeau Field and in gameday programs. Beyond the stadium, Cleary Building Corp. will be recognized as the Official Builder of Lambeau Field online at www.Packers.com and through various advertisements. Cleary Building Corp. also will be granted a special ticket promotion early in the 2008 season.

"We're pleased to welcome Cleary Building Corp. as the Official Builder of Lambeau Field," said Craig Benzel, Packers director of marketing and corporate sales. "Cleary has great products and superior customer service. For more than 30 years Cleary has maintained high integrity, strong company values, and a competitive spirit second to none. These are traits that we respect and share at the Packers, and we're excited to have them as our partner."

"We are thrilled to join the Packer's team as the Official Builder of Lambeau Field" said Sean Cleary, Cleary Building Corp. President. "We value relationships with other organizations that share our devotion to succeeding through hard work and by doing things the right way. We believe our relationship with the Packers will enhance our brand identity across the nation and support our continued growth into the future."

Cleary Building Corp. is a family-owned company celebrating 31 years in business. With 78 locations across the United States, Cleary Building Corp. is a nationwide leader in the manufacturing, delivery and construction of customized pre-engineered buildings.

Building applications include commercial, residential, equine and farm facilities along with metal roofing. Cleary Building Corp. offers a long-lasting, low-maintenance and cost-effective structure, including a lifetime paint warranty. The corporate office and manufacturing plants are located in Verona, Wis. Additional manufacturing facilities are located in Grand Island, Neb., and Hazelton, Idaho. Cleary Building Corp. is a debt-free, family-owned and operated business that employs over 900 people across the United States.
