## **PACKERS, CLEARY BUILDING CORP. MAKE DONATION TO 10 BOYS & GIRLS CLUBS IN WISCONSIN AND UPPER MICHIGAN**

### ***Proceeds From Raffle During 2009 Season***

The Green Bay Packers and Cleary Building Corp., the Official Builder of Lambeau Field, on Wednesday presented a check for \$5,807 to be shared at 10 Boys & Girls Clubs throughout Wisconsin and Upper Michigan.

The donation is made possible from the proceeds of a raffle program that featured a Cleary Backyard Building and John Deere lawn tractor stationed in the Lambeau Field Atrium during the 2009 season.

Fans attending games throughout the season had the opportunity to purchase raffle tickets to win the building and the lawn tractor from volunteers from the Boys & Girls Club and Cleary Building Corp. The tickets, priced at \$1, also were available at participating Boys & Girls Clubs in Wisconsin and Upper Michigan, and at the Packers Pro Shop on non-gamedays.

"We're very proud to be able to join the Packers in supporting the Boys & Girls Clubs," said Sean Cleary, president of Cleary Building Corp. "Cleary Building Corp. and the Packers share similar goals with respect to having strong values, furthering education for our people and developing leaders. The Boys & Girls Clubs strive for the same goals for the youth they serve in our communities, and we're happy to contribute to their efforts."

"On behalf of the participating Boys & Girls Clubs, we are very, very appreciative of this donation," said John Benberg, executive director of the Boys & Girls Club of Green Bay. "Collectively, Boys & Girls Clubs in Wisconsin and Upper Michigan serve more than 100,000 of our youth. We look forward to supplementing the clubs' programs with this money."

Participating Boys & Girls Clubs include Boys & Girls Clubs of Barron County, Boys & Girls Club of Dane County, Boys & Girls Club of the Fox Valley, Boys & Girls Club of Green Bay, Boys & Girls Club of Jackson County, Boys & Girls Club of the Lac Courte Oreilles Ojibwe Band, Boys & Girls Club of Langlade County, Boys & Girls Clubs of Sheboygan County, Woodland Boys & Girls Club (Neopit) and DAR Boys & Girls Club (Menominee, Mich.).

**Cleary Building Corp.** is a nation-wide leader in customized pre-engineered buildings. Building applications include commercial, residential, suburban, farm and equine facilities along with metal roofing and re-roofs. The buildings consist of a wood frame with pre-painted steel panels used for roofing and siding. Cleary Building Corp. is proud to offer a lifetime paint warranty. This type of building provides for a long-lasting, low-maintenance and cost effective structure.

Cleary Building Corp. is a family-owned company in business since 1978. The corporate office and manufacturing plant are located in Verona, Wis. Additional manufacturing facilities are located in Grand Island, Neb., and Hazelton, Idaho. Cleary Building Corp. employs more than 800 full-time employees throughout the United States at its 77 offices.

More information about Cleary Building Corp. is available on line at [www.ClearyBuilding.com](http://www.ClearyBuilding.com).
